## DJD Delivers 2,500 School Uniforms and Supplies for the 2019-2020 School Year

Our joint DJD teams, from Texas and Cambodia, visited 33 churches, home churches and an orphanage in 6 days. What joy it was to see God's glory displayed in children as they listened intently to Bible stories, participated in learning a Bible verse, in praying to God, and receiving supplies and uniforms to be able to go to school. The children also received a Gideon Bible in their own language.

It truly was an honor and a privilege to be a small part of God's work in Cambodia. The Cambodia team finished distributing uniforms and supplies to 67 more churches and home churches. The total supplies and uniforms that were distributed was 2,500. Thank you for your support and prayers. And praise God for He truly is good! -- by Natalie Yarnell

The Texas mission team was Bryans and Brenda Fitzhugh, Rindo Nong, and Natalie Yarnell.

## Phnom Penh Pastor Training

On October 4-5, at the request of Pastor Bunthoeun of Christian Churches Association, Bryans Fitzhugh led a one and one-half day training conference for 130 pastors and church leaders. The training material was Lessons for Living from Jesus' Sermon on the Mount written by Mike McQuitty of Grace Life Collegiate Ministries. The pastors read passages, answered questions from the passage and discussed in small groups how to apply these teachings to daily life. Pray for these pastors to continue to live out the principles of Jesus' Sermon on the Mount and to share these teaching with their congregations.

Pastor Training was conducted at God's Family Church in Cambodia's capital, Phnom Penh. During the training Natalie Yarnell and Brenda Fitzhugh taught the children, who came with their parents. The children participated in Bible Study, songs, activities and scriptures.

Battambang Pastor Training was held at the Battambang Association Training Center for pastors and leaders in Battambang and the surrounding area. The pavilion was built several years ago by DJD Cambodia Ministries.

## Battambang Pastor Training

On October 1, Bryans Fitzhugh led a training for 135 pastors and church leaders from Battambang and surrounding provinces. For some of the pastors it was a three-hour travel time to get to the conference. The training was another lesson from Dr. Ronnie Floyd's book, "How to Pray". This group of pastors have been studying this book monthly since July 2018. They will complete the study in November 2019, and will begin a study of Dr. John Stott's book "Basic Christianity" in January 2020. Pray for these pastors who are committed to becoming better equipped to lead their congregations and to reaching their villages with the Gospel of Jesus Christ.

# Battambang Youth Camp 2019

The annual Battambang Youth Camp was held August 27 – 29, 2019, at Phnom Sampouv Church in a village a few miles outside of Battambang. There were 185 youth in attendance. The teaching was Lessons for Living from Jesus' Sermon on the Mount by Mike McQuitty of Grace Life Collegiate Ministries. After each section the youth gathered together for discussion in small groups. There was also time for worship, recreation, and fellowship around the tables during mealtime. There were several youth who became new believers. While setting up for the camp, some youth from the village asked what was happening and after being invited they attended. Pray for the youth that they would take the lessons that were taught to heart and continue to grow in their relationship with God.
